

ELECTRICITY DISCOUNT PROGRAMS

If you are currently receiving a discount on your electricity bill through the California Alternate Rates for Energy (CARE), Family Electric Rate Assistance (FERA), or Medical Baseline programs, you **continue to receive that discount** as a San José Clean Energy (SJCE) customer.

You **save even more money with SJCE** because our electric generation rates are 1% cheaper than PG&E. SJCE's lower rates save all CARE/FERA customers combined an additional \$385,000 annually.
