

SAN JOSE CLEAN ENERGY HOME APPLIANCE SAVINGS PROGRAM APPLICATION

Since 2019, San José Clean Energy has been dedicated to supporting our community with clean energy and local programs. Through the San José Home Appliance Savings Program, eligible residential customers can receive significant savings when they purchase qualifying energy-efficient home appliances.

WHY SHOULD I PARTICIPATE?

This program is your opportunity to enjoy:

- Significant savings on the cost of a new appliance
- Long-term savings on your energy bill
- A high quality, energy-efficient appliance
- An easy, convenient shopping experience with free delivery, installation, haul away, and a 5-year warranty
- A lower carbon footprint

WHICH APPLIANCES QUALIFY?

Select, ENERGY STAR® certified refrigerators, clothes washers and clothes dryers, purchased between Aug. 29, 2022, and Dec. 31, 2024, qualify. See pages 2–4 for specific requirements.

TERMS, CONDITIONS AND REQUIREMENTS

CUSTOMER ELIGIBILITY

To qualify for the Program, participants must meet all the following criteria:

- Be a current San José Clean Energy (SJCE) customer
 - SJCE has been the default electric generation service provider for most San José residents since February 2019. Rooftop solar customers were enrolled in 2020 and 2021.
 - Check your most recent PG&E bill and look for “SJCE electric generation charges” to confirm that you are a current customer.
 - If you are not sure of your account status or need help, contact CustomerService@sanjosecleanenergy.org
- Live in a single-family home
 - For the purpose of the Program, a single-family home is defined as “a free-standing residential building.” Single-family homes are designed to be used as a single-dwelling unit with one owner, no shared walls and its own land.
- Live in one of the program’s qualifying neighborhoods OR meet the income guidelines
 - Use the online lookup tool at SanJoseCleanEnergy.org/appliance to check whether your neighborhood qualifies.
 - If you don’t qualify based on your address, check if you meet the program’s annual income guidelines:

Household Size	Minimum Annual Income	Maximum Annual Income
1	\$25,760	\$51,520
2	\$34,840	\$69,680
3	\$43,921	\$87,840
4	\$53,001	\$106,000
5	\$62,081	\$124,160
6	\$71,161	\$142,320
7	\$80,241	\$160,480
8	\$89,321	\$178,640
For each add'l	add \$9,440	\$18,880

- If you are a renter and the account is under your landlord’s name, the landlord will need to meet all eligibility criteria to qualify for the program.
- City of San José employees are not eligible to participate in the program.

APPLIANCE REQUIREMENTS

Qualifying appliances must:

- Be purchased between Aug. 29, 2022, and Dec. 31, 2024.
- Be purchased from Airport Home Appliance, located at 966 S. Bascom Ave., San José, CA 95128.
- Be installed by Airport Home Appliance. The program covers basic installation.
- Be new and operational at the service (installation) address specified on the application at the time the application is submitted. Used, rebuilt or uninstalled appliances are not eligible for rebates.

- Meet the model specifications that are outlined in the application, as specified in the workpapers approved by the CPUC. Specifications and requirements are subject to change. Please visit SanJoseCleanEnergy.org/appliance for current requirements.

APPLICATION REQUIREMENTS

To be eligible for a rebate, the application must:

- Be submitted within 90 days of purchase and be postmarked by Dec. 31, 2024.
- Include all required information, including the customer’s signature and valid account number. Incomplete applications will either delay payments or result in denial of application approval.
- Be submitted with a legible copy of the paid itemized sales receipt showing proof of purchase that includes the manufacturer, model number, store name and location, purchase price, and date of purchase.
- Be submitted one of three ways; via email at SJCEappliance@franklinenergy.com, via mail to San José Home Appliance Savings Program, 1322 Dupont Ct., Manteca, CA 95336, or via the online portal at SanJoseCleanEnergy.org/appliance.

REBATE INFORMATION

- Rebates are limited to one appliance per appliance type, per customer.
- Payment will be issued to the account holder and mailing address on record with SJCE.
- Once the completed application is submitted, rebate payments are typically made within 6–8 weeks.
- Rebates are paid by check in US dollars and delivered via US Mail.
- The rebate check must be cashed within 90 days of the issuance date on the check.
- SJCE reserves the right to refuse payment and participation if the customer violates program terms and conditions.
- For the fastest rebate possible, please submit your rebate application online at SanJoseCleanEnergy.org/appliance.
- Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. SJCE is not responsible for any tax liability imposed on the customer as a result of the payment of rebates.

PROGRAM DISCLOSURES

- Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
- SJCE and/or their designees including program administrators do not endorse any manufacturer or product as part of this program.
- Any customer receiving a rebate check may be contacted by an evaluator to verify appliance installation or be asked to complete a survey.
