

# IT'S OUR BUSINESS TO HELP YOURS

San José Clean Energy (SJCE) is the local not-for-profit clean electricity provider operated by the City of San José. SJCE provides **over 27,000 businesses** with clean energy at competitive rates, plus community benefits like programs, local control, transparency, and accountability.

Your business may be eligible for the following programs:

## SJCE PROGRAMS

- **San José Energy Efficient Business Program**

Your business can receive 80-90% rebates when you make certain energy-saving upgrades. When you combine the rebates with your lower monthly energy costs, the upgrades can quickly pay for themselves.

- **Peak Rewards**

Peak Rewards is a demand response program that will pay your business to reduce energy use during critical hours. Events could be called between the hours of 4 p.m. and 10 p.m. (May through October).

- **TotalGreen**

SJCE has a 100% renewable energy service option that let your business make an impact on the fight against climate change. **Over 300 businesses** have already signed up.
