PUBLIC NATURE OF PROPOSAL MATERIAL

All correspondence with SJCE including responses to this solicitation will become the exclusive property of the City of San José and will become public records under the California Public Records Act (Cal. Government Code section 6250 et seq.) All documents that you send to SJCE will be subject to disclosure if requested by a member of the public. There are a very limited number of narrow exceptions to this disclosure requirement.

Therefore, any proposal which contains language purporting to render all or significant portions of their proposal "Confidential", "Trade Secret", or "Proprietary", or fails to provide the exemption information required as described below will be considered a public record in its entirety subject to the procedures described below. Do not mark your entire proposal as "confidential."

The City will not disclose any part of any proposal before it announces a recommendation for award, on the grounds that there is a substantial public interest in not disclosing proposals during the evaluation process. After the announcement of a recommended award, all proposals received in response to this RFP will be subject to public disclosure.

In order to designate information as confidential, the Seller must clearly stamp and identify the specific portion of the material designated with the word "Confidential" and provide a citation to the California Public Records Act that supports keeping the information confidential. Seller should not to over-designate material as confidential. Over-designation would include stamping entire pages or series of pages as confidential that clearly contain information that is not confidential. Upon request or demand of any third person or entity not a party to this Agreement ("Requestor") for production, inspection and/or copying of information designated by Seller as confidential information (such designated information, the "Confidential Information"), SJCE will notify the Seller as soon as practical that such request has been made. The Seller shall be solely responsible for taking whatever legal steps are necessary to protect information deemed by it to be Confidential Information and to prevent release of information to the Requestor by the City. If the City takes no such action after receiving the foregoing notice from the Seller, the City shall be permitted to comply with the Requestor's demand and is not required to defend against it.

If required by any law, statute, ordinance, a court, Governmental Authority or agency having jurisdiction over the City, including the California Public Records Act, the City may release Confidential Information, or a portion thereof, as required by the Applicable Law, statute, ordinance, decision, order or regulation. In the event the City is required to release Confidential Information, it shall notify the Seller of the required

disclosure, such that the Seller may attempt (if it so chooses), at its sole cost, to cause the recipient of the Confidential Information to treat such information in a confidential manner, and to prevent such information from being disclosed or otherwise becoming part of the public domain.

Supplier Diversity

Pursuant to California Senate Bill 255, Community Choice Aggregators (CCAs) are required to report to the California Public Utilities Commission on their diverse suppliers, as defined by CPUC General Order 156. Consistent with the California Public Utilities Code and California Public Utilities Commission policy objectives, respondents that execute an agreement with SJCE will be required to complete a Supplier Diversity questionnaire. SJCE will NOT consider race, sex, color, ethnicity, or national origin in procurement decisions.

SJCE encourage all eligible parties to get certified with the CPUC as a woman, minority, disabled veteran and/or LGBT owned business enterprise (WMDVLGBTBE).

For overview information on the CPUC Supplier Diversity Program, please visit the program homepage (https://www.cpuc.ca.gov/supplierdiversity/). For information on the certification process and requirements, please visit the Certifications page (https://www.cpuc.ca.gov/Certifications/).

DISCLAIMERS

SJCE reserves the sole and discretionary right to (i) reject any offers received in response to this RFO for any reason, and (ii) accept any offers received after the deadline for submittals as indicated herein. Additionally, SJCE reserves the right, at its sole discretion, to not enter into any confirmation for the transaction at the conclusion of this RFO. SJCE reserves the right to modify the terms and conditions of this RFO at any time based on changing needs and market feedback. SJCE also reserves the right to rescind this RFO at any time prior to SJCE's execution of a binding agreement. Notwithstanding anything to the contrary, including the WSPP Agreement, no proposal, bid, offer, or proposed transaction (however described) shall be binding upon SJCE except pursuant to a written agreement signed by SJCE and the counterparty. SJCE will not be liable at any time for any costs the prospective supplier may incur in preparing or submitting its response to this RFO.
