Re: Notice of Satisfaction of Conditions Precedent to Commercial Operation

To Whom it May Concern:

Reference is made to the Energy Storage Service Agreement by and between Tumbleweed Energy, LLC ("Seller") and California Community Power ("Buyer"), as amended by Amendment No. 1, dated December 15, 2022, and Amendment No. 2, dated August 23, 2024 (the "ESSA").

Capitalized terms used but not defined herein shall have the meaning set forth in the ESSA.

This letter shall serve as notice pursuant to Section 2.2 of the ESSA that, with the delivery of the Commercial Operation Date Certificate from Leidos Engineering, LLC, attached hereto, Seller has provided the required documentation to Buyer and met all the conditions precedent set forth in Section 2.2 of the ESSA for achieving Commercial Operation.

Sincerely,

Kyle Priesmeyer
