For greater certainty, Seller's performance (and failure to perform) hereunder is and remains subject to the terms of the Product and the WSPP Agreement.

ARTICLE 2
PRODUCT 2

2.1. Product 2 – Scheduling Coordinator Services

(a) Seller: Brookfield Renewable Trading and Marketing LP

(b) Buyer: City of San José

(c) Product 2: Scheduling Coordinator Services as described below for Carbon Free Firm Energy (and System Resource Energy, if applicable) procured by Buyer as Product 1.

2.2. Overview

The purpose of Product 2 is for Seller to perform the required scheduling coordinator functions for the "resource" (as such term is used by the CPUC in D. 20-06-028, the Carbon Free Firm Energy (and System Resource Energy, if applicable)). Although D.20-06-028 required the Buyer to take responsibility for ensuring that energy associated with an import RA contract is bid into, and delivered to, the CAISO markets, the CPUC's decision also permitted the Buyer to designate another party to act on its behalf as a Scheduling Coordinator to bid and deliver the energy into the CAISO markets.

Seller is a Scheduling Coordinator recognized by CAISO pursuant to the CAISO Tariff and has the requisite experience, skill and capability to perform the scheduling obligations assumed by it in providing the Scheduling Coordinator Services (as defined below). In providing the Scheduling Coordinator Services, Seller will perform, and assume all costs, risks and liabilities associated with performing, the scheduling responsibilities defined below for the limited purpose of submitting Bid(s) and physically scheduling and delivering Buyer's Carbon Free Firm Energy (and System Resource Energy, if applicable) procured as Product 1 from the Delivery Point to the Sink as required and contemplated by CPUC D.20-06-028 and the resource adequacy requirements established by CAISO pursuant to the CAISO Tariff.

2.3. Scheduling Coordinator Services

Seller agrees to assume the scheduling functions required to schedule and deliver the Carbon Free Firm Energy (and System Resource Energy, if applicable) procured by Buyer as Product 1 at and from the Delivery Point to the Sink, being an Aggregated Pricing Node in the CAISO Balancing Authority Area, as set forth below ("Scheduling Coordinator Services"):

(a) For each hour in which energy is to be delivered to the Delivery Point, Seller will Bid or Self-Schedule (as such terms are defined in the CAISO Tariff) Product 1 into the CAISO Day Ahead Market and Real-Time Market, *provided* if Seller submits Bid(s) (other than Self-Schedule) such Bid(s) for each hour that is an Availability Assessment Hour, Seller's Bid(s) shall be at a price between [redacted] "Bidding Requirement");

(b) Confirming with CAISO and Buyer to use the Resource ID: BRTM_NOB_I_F_RA01 associated with Seller's SCID for purposes of undertaking the services in paragraph (a) above ("RA Resource ID");

(c) Submitting a monthly and annual Supply Plan using the RA Resource ID for each month of the Delivery Term on or prior to the deadline in the CAISO Tariff;

(d) Undertaking all scheduling and tagging requirements in accordance with Generally Accepted Utility Practice from the Delivery Point to the Sink, including inserting the following in each NERC E-Tag:

(i) Seller's Scheduling Coordinator PSE in the "physical path" at and from the Delivery Point to the Sink,

(ii) Buyer's PSE in the "market path" at the Delivery Point,

(iii) Buyer's PSE as the last PSE in the "physical path",

(iv) RA Resource ID BRTM_NOB_I_F_RA01 in the Misc (Token/Value) field in "physical path" at and from the Delivery Point to the Sink,

(v) A CAISO Aggregated Pricing Node as the Sink, and

(vi) performing such other ancillary requirements under the CAISO Tariff to give effect to the foregoing.

A sample NERC E-Tag is attached hereto as Exhibit B for informational purposes. Actual NERC E-Tags generated for deliveries hereunder may vary from the sample attached as Exhibit B due to changes in Carbon Free Source, CAISO or WECC tagging practices or otherwise as required to be consistent with Generally Accepted Utility Practice.

2.4. Seller's Scheduling Contacts

	Phone
Pre-scheduler:	[redacted]
Real-Time:	[redacted]

2.5. Buyer's Identifiers

Buyer's SCID: SJCE

Buyer's PSE: SJCE

2.6. Special Conditions – Product 2

(a) Resource Adequacy Plan: Buyer shall submit (or cause to be submitted) a monthly and annual Resource Adequacy Plan ("RA Plan"), as required by the CAISO Tariff, that explicitly identifies the Delivery Profile hours as the temporal constraint/limitation and such RA Plan shall otherwise match the Supply Plan submitted by Seller.

(b) CAISO Acceptance/Rejection: Subject to Section 2.6(c), Seller shall be entitled to retain any and all revenues received from (and if prices are negative, liable for all payments to) CAISO as a result of CAISO accepting the Bid(s) (including Self-Schedule(s)) submitted by Seller. If, in any hour of the Delivery Term, CAISO rejects the Bid(s) (including Self-Schedule) submitted by Seller in the CAISO Day Ahead Market and Real-Time Market, then:

(i) if Seller Self-Schedules or Bids in accordance with the Bidding Requirement, the Parties agree to treat such rejection by CAISO as an Uncontrollable Force such that each Party shall be excused from their respective obligation to sell and deliver or purchase and receive Product 1 for that hour, and

(ii) if Seller does not Bid in accordance with the Bidding Requirement, the Parties agree to treat such rejection by CAISO as a failure to deliver by Seller, no payment shall be due for such hour, and, unless Seller is otherwise excused from its delivery obligations, Buyer shall be entitled to such remedies as are provided hereunder and in the WSPP Agreement.

(c) Settlements/Invoicing: For each month of the Delivery Term, the following terms shall apply for the settlement of amounts due with respect to each MWh of Product 1 delivered to Buyer:

(i) Buyer will pay the Contract Price to Seller for each MWh of Product 1 delivered to Buyer in such month pursuant to this Confirmation on the payment due date specified in Section 9.2 of the WSPP Agreement.

(ii) For each month of the Delivery Term, and in consideration of Seller retaining any and all CAISO revenues received by Seller associated with the Energy from Product 1, Seller will credit Buyer the Energy Adjustment pursuant to this Confirmation. "Energy Adjustment" means the LMP Index for each MWh of Product 1 delivered to Buyer in such month pursuant to this Confirmation.

(iii) Invoicing and payment for Product 1 delivered to Buyer shall be in accordance with Article 9 of the WSPP Agreement, except that payment shall be due within twenty (20) days after receipt of the invoice or, if such day is not a Business Day, then on the next Business Day. Monthly invoices for Product 1 shall detail (1) the amount of Product 1 delivered to Buyer in that month times the Contract Price, and 2) the Energy Adjustment for that month, and 3) the net amount due from Buyer for such month (which shall be the difference between 1) and 2).

ARTICLE 3
GENERAL PROVISIONS

3.1 Uncontrollable Forces

The Parties agree that Product 1 and Product 2 shall be subject to Section 10, Uncontrollable Forces, of the WSPP Agreement. The Parties agree, for the purposes of Section 10 of the WSPP Agreement that:

(a) any limitation, interruption or curtailment on the applicable Agreed Transmission Path, at the Delivery Point or from the Delivery Point to Sink by the transmission provider pursuant to the applicable OATT or transmission service contract (including CAISO pursuant to CAISO Tariff), by or at the direction of WECC or any applicable NERC-recognized regional reliability coordinator, including for unscheduled flow mitigation, planned outage(s) and full or partial de-rate(s), whether or not known or anticipated as of the Effective Date, will be considered an Uncontrollable Force,

(b) a limitation, interruption or curtailment described in paragraph (a) may result in Bid(s), schedule(s) or E-Tag(s) not being submitted or created, as applicable, for one or more hours depending on the timing and circumstances of the qualifying limitation, interruption or curtailment, Generally Accepted Utility Practice and requirements and practices pursuant to CAISO Tariff,

(c) if and to the extent any of the events or circumstances described in paragraphs (a) and (b) above prevents (i) delivery of the Hourly Contract Quantity of Product 1 to Sink for any hour(s) of the Delivery Term or (ii) Bid(s), schedule(s) or E-Tag(s) being submitted or created, as applicable, by Seller for any hour(s) of the Delivery Term, subject to Section 1.2(c), Seller and Buyer shall be relieved of their obligation to sell and deliver or purchase and receive, respectively, Product 1 at the Delivery Point for such hour(s) and Seller shall be relieved of its SC Services obligations for such hour(s).

3.2 Monthly Reporting

The Parties acknowledge that in each month of the Delivery Term non-delivery of energy can reasonably be expected from time to time as a result of, among other things, Uncontrollable Forces (*e.g.* transmission limitations, interruptions and/or curtailments) and CAISO rejecting Bid(s) meeting the Bid Requirement, including during conditions of oversupply and congestion. For transparency, in addition to Buyer having delivery visibility through inclusion on all NERC E-Tags, Seller will provide a monthly report that includes a lesser of analysis showing E-Tags and meter readings from the Carbon Free Source, as applicable.

3.3 Electricity Importer

As a result of the provision of Scheduling Services, Seller will be the electricity importer of record into California for purposes of the Cap and Trade Regulations for the Carbon Free Firm Energy (or System Resource Energy if applicable) delivered pursuant to this Confirmation. The Parties acknowledge that Seller will be responsible for satisfying any Compliance Obligation (as defined in the Cap and Trade Regulations) associated with the energy that is scheduled and imported into California pursuant to this Confirmation. Seller shall be responsible for payment of any costs associated with such Compliance Obligation, and payment of carbon costs, if any, associated with deliveries of such energy.

3.4 Confidentiality

Notwithstanding anything to the contrary in Section 30.1 of the WSPP Agreement, the Parties agree that either Party may disclose a copy of this Confirmation to a Governmental Authority if required or if requested by such Governmental Authority or for the purposes set forth in Section 3.5(b), provided such Party shall redact commercial terms (*e.g.* Contract Price) prior to disclosure or disclose the Confirmation confidentially to the Governmental Authority unless redactions or confidential treatment is not permitted by the Governmental Authority. Each Party recognizes that this Confirmation is subject to the requirements of the California Public Records Act (Government Code Section 7920 et seq.).

3.5 RA Requirements / Change in Law

(a) The Parties acknowledge that Buyer has entered into this transaction to, among other things, use Product 1 toward meeting its RA Requirements and mid-term reliability bridge capacity requirements under CPUC Decision 23-02-040. Buyer acknowledges that Seller makes no representation or warranty that Product 1 as procured by Buyer will be eligible for or can be used or counted toward Buyer's resource adequacy obligations pursuant to the RA Requirements.

(b) The Parties agree that either or both Parties may provide a copy of this Confirmation to the CPUC confidentially prior to the time required for Buyer's compliance filings to obtain the

CPUC's guidance or advice as to the eligibility of Product 1 for meeting the RA Requirements, provided if Seller provides a copy it shall redact or exclude Buyer's name.

(c) It is Buyer's sole responsibility to ensure it has obtained sufficient intertie import capability at the Delivery Point such that Buyer may use Product 1 towards its RA Requirements.

(d) If there is a Change in Law that (i) materially adversely changes or affects a Party's obligations hereunder or (ii) results in Buyer being unable to use Product 1 to meet its RA Requirements, the Parties shall work in good faith to try and revise this Confirmation, which may include changes to commercial terms, to appropriately address the material adverse change or effect or permit Buyer to be able to use Product 1 toward its RA Requirements. In the event the Parties cannot reach agreement on any such amendments to this Confirmation within 30 days' written notice from one Party following the Change in Law ("Negotiation Period"), then either Party may terminate this Confirmation within thirty (30) days after the Negotiation Period upon written notice to the other Party, which, subject to Section 3.7, shall be effective the next Business Day after such notice is received. Any termination in accordance with this paragraph shall be without liability of either Party to the other on the termination date as a result of such termination, *provided* for greater certainty each Party shall remain liable for any payments arising from performance (and non-performance) up to and including the termination date. Termination of this Confirmation pursuant to this paragraph shall not result in termination (or give rise to a right of termination) of any other transactions between the Parties *provided* that if multiple transactions between the Parties are similarly affected by the Change in Law the terminating Party must concurrently terminate all such transactions unless the other Party otherwise agrees.

3.6 Seller Indemnification / Termination

To the extent Seller fails to fulfill its obligations under this Confirmation and such failure is not excused under the terms of either Product, this Confirmation or the WSPP Agreement or caused by a failure to perform by Buyer, then:

(a) Seller agrees to indemnify Buyer for any monetary penalties directly resulting from Seller's nonperformance hereunder as assessed against Buyer by the CPUC pursuant to the RA Requirements but only to the extent such penalties being assessed could not be avoided by Buyer using commercially reasonable efforts following notice from Seller of its nonperformance; and

(b) in addition to Buyer's other remedies hereunder, if such failure meets all the criteria for a RA Termination Event, Buyer may terminate this Confirmation upon written notice to Seller, *provided* such notice is provided no later than ten (10) Business Days after such RA Termination Event having occurred. If timely termination notice is provided to Seller, subject to Section 3.7, termination shall be effective the next Business Day after such notice is received. Any termination in accordance with this paragraph shall be without liability of either Party to the other on the termination date as a result of such termination, *provided* for greater certainty each Party shall remain liable for any payments arising from performance (and non-performance) up to and including the termination date. Termination of this Confirmation pursuant to this paragraph shall not result in termination (or give rise to a right of termination) of any other transactions between the Parties.

With respect to the foregoing, the Parties shall use commercially reasonable efforts to minimize any such monetary penalties or the impact of any Seller non-performance; provided, that in no event shall Buyer be required to use or change its utilization of its owned or controlled assets or market positions to minimize such penalties.

3.7 Survival

To the extent this Confirmation is terminated by either Party as provided in Section 3.5 or 3.6 and Seller, in performing its obligations hereunder, has submitted a monthly Supply Plan or has other binding obligations or commitments to CAISO that cannot be rescinded without Seller incurring penalties or other charges, all applicable terms, conditions and provisions of this Confirmation shall survive termination until all binding obligations or commitments to CAISO as at the effective date of such termination have been fully performed, including, without limiting the generality of the foregoing, the purchase and sale of Carbon Free Firm Energy. For greater certainty, neither Party will make any further binding commitments to CAISO (*e.g.* no filing of monthly RA Plans or Supply Plans) after the effective date of termination.

3.8 Buyer Limited Assignment.

Buyer may make a limited assignment of Buyer's right to receive all or a portion of the Product that would otherwise be delivered to Buyer hereunder to an entity ("Limited Assignee") that has, or provides a parent guaranty, in form and substance reasonably acceptable to Seller from an entity with an Investment Grade Credit Rating of Buyer's right to receive Product (which shall not be for retail sale) and its obligation to make payments to Seller, which assignment shall be expressly subject to Limited Assignee's timely payment of amounts due under this Agreement, at any time upon not less than thirty (30) days' Notice by delivering a written request for such assignment. In connection with any such assignment, Buyer and Seller agree to execute a limited assignment agreement substantially in the form attached hereto as Exhibit E, or if requested by Buyer or Seller, in a similar form of agreement that is reasonably acceptable to Buyer and Seller. For the avoidance of doubt, Buyer will remain responsible for all its obligations under this Agreement related to such assigned Product, including (i) the obligation to pay for such Product to the extent the assignee thereof does not do so and (ii) any damages associated with such assignee's failure to take any such Product. Notwithstanding anything to the contrary in Section 30.1 of the WSPP Agreement, the Parties agree that Buyer may disclose a copy of this Confirmation to Limited Assignee.

3.9 Termination Payment

For this Transaction, the following is inserted as a penultimate paragraph in Section 22.2(b) of the WSPP Agreement:

"If Buyer is the Non-Defaulting Party and Buyer reasonably expects to incur or be liable for any penalties, fines or costs from CAISO, or any Governmental Body, because Buyer or a Subsequent Buyer is not able to include the applicable Contract Quantity in a Compliance Showing due to Seller's Event of Default, then Buyer may, in good faith, estimate the amount of those penalties, fines or costs which could not be reasonably avoided by Buyer following notice from Seller of its nonperformance and include the estimate in its determination of the Termination Payment, subject to accounting to Seller when those penalties, fines or costs are finally ascertained. If this accounting establishes that Buyer's estimate exceeds the actual amount of penalties, fines or costs, Buyer must promptly remit to Seller the excess amount with interest in accordance with Section 9.3 of the WSPP Agreement. The rights and obligations with respect to determining and paying any Termination Payment, and any dispute resolution provisions with respect thereto, survive the

termination of this Transaction and continue until after those penalties, fines or costs are finally ascertained."

3.12 City of San José Standard Provisions

(a) Nondiscrimination/Non-Preference. Seller shall not, and shall not cause or allow its affiliates in connection with this Agreement to, discriminate against or grant preferential treatment to any person on the basis of race, sex, color, age, religion, sexual orientation, actual or perceived gender identity, disability, ethnicity or national origin. This prohibition applies to recruiting, hiring, demotion, layoff, termination, compensation, fringe benefits, advancement, training, apprenticeship and other terms, conditions, or privileges of employment, subcontracting and purchasing. Seller will inform its affiliates of these obligations under the Agreement. The prohibition is not intended to preclude Seller from providing a reasonable accommodation to a person with a disability.

(b) Conflict of Interest. As of the Effective Date, Seller is unaware of any facts constituting a conflict of interest that is or may be related to this Agreement. In performing this Agreement, Seller shall not engage in acts that could constitute a conflict of interest under state or local law. Upon Seller having express knowledge that the manner in which it performs any part of this Agreement results in a conflict of interest it shall promptly notify the Buyer in writing of the facts giving rise to a conflict of interest. Seller's violation of this subsection (b) is a material breach of the Agreement.

(c) Gifts Prohibited. Chapter 12.08 of the San José Municipal Code generally prohibits a City of San José officer or designated employee from accepting any gift. Seller shall not offer any City of San José officer or designated employee any gift prohibited by Chapter 12.08 related to this Agreement. Seller's violation of this subsection (c) is a material breach.

(d) Disqualification of Former Employees. Chapter 12.10 of the San José Municipal Code generally prohibits a former City of San José officer and former designated employee from providing services to the City of San José connected with his/her former duties or official

responsibilities. Seller shall not use any officer, employee or agent to perform any services related to this Agreement if doing so would violate Chapter 12.10.

3.13 Designated Fund and Limited Obligations

(a) Designated Fund. Buyer is a municipal corporation and is precluded under the California State Constitution and applicable law from entering into obligations that financially bind future governing bodies, and, therefore, nothing in the Agreement shall constitute an obligation of future legislative bodies of the City to appropriate funds for purposes of the Agreement; provided, however, that (i) Buyer has created and set aside a designated fund, San José Clean Energy Operating Fund (the "Designated Fund"), for payment of its obligations under the Agreement and (ii) subject to the requirements and limitations of applicable law and taking into account other available money specifically authorized by the San José City Council and allocated and appropriated to the San José Clean Energy's obligations, Buyer agrees to establish San José Clean Energy rates and charges that are sufficient to maintain revenues in the Designated Fund necessary to pay its obligations under this Agreement and all of Buyer's payment obligations under its other contracts for the purchase of energy for San José Clean Energy. Buyer shall provide Seller with reasonable access to account balance information with respect to the San José Clean Energy Designated Fund during the Term.

(b) Limited Obligations. Buyer's payment obligations under the Agreement are special limited obligations of the Buyer payable solely from the Designated Fund and are not a charge upon the revenues or general fund of the City of San José or upon any non- San José Clean Energy moneys or other property of the Energy Department or the City of San José.

(b) **Judicial Reference.** Any dispute or claim between the Parties arising out of or in connection with this Agreement or its performance, breach, or termination (including the existence, validity and interpretation of this Agreement and the applicability of any statute of limitation period) (each, a "**Dispute**") shall be resolved by a reference proceeding in California in accordance with the provisions of Sections 638 et seq. of the California Code of Civil Procedure ("**CCP**"), or their successor sections (a "**Reference Proceeding**"), which shall constitute the exclusive remedy for the resolution of any Dispute. As a condition precedent to initiating a Reference Proceeding with respect to any Dispute, the Parties shall comply with the provisions of Section 9(b)(i).

i. Notice of Dispute. Prior to initiating the Reference Proceeding, a Party (the "**Disputing Party**") shall provide the other Parties (the "**Responding Parties**") with a written notice of each issue in dispute, a proposed means for resolving each such issue, and support for

such position (the "**Notice of Dispute**"). Within 10 days after receiving the Notice of Dispute, the Responding Parties shall provide the Disputing Party with a written Notice of each additional issue (if any) with respect to the dispute raised by the Notice of Dispute, a proposed means for resolving every issue in dispute, and support for such position (the "**Dispute Response**"). Thereafter, the Parties shall meet to discuss the matter and attempt in good faith to reach a negotiated resolution of the dispute. If the Parties do not resolve the dispute by unanimous agreement within fifteen 15 days after receipt of the Dispute Response, (the "**Negotiation Period**"), then any Party may provide to the other Parties written notice of intent for judicial reference (the "**Impasse Notice**") in accordance with the further provisions of this Section 9.

ii. Applicability; Selection of Referees. Within 10 days of the delivery of an Impasse Notice, each of MSCG and PPA Buyer shall nominate one (1) referee. The two (2) referees (the "**Party-Appointed Referees**") shall appoint a third referee (the "**Third Referee**", together with the Party-Appointed Referees, the "**Referees**"). The Party-Appointed Referees shall be competent and experienced in matters involving the electric energy business in the United States, with at least ten (10) years of electric energy industry experience as a practicing attorney. The Third Referee shall be an active or retired California state or federal judge. Each of the Party-Appointed Referees and the Third Referee shall be impartial and independent of each of the Parties and of the other referees and not employed by any of the Parties in any prior matter.

iii. Inability to Agree upon Third Referee. If the Party-Appointed Referees are unable to agree on the Third Referee within 45 days from delivery of the Impasse Notice, then the Third Referee shall be appointed pursuant to CCP Section 640(b) in an action filed in the Superior Court of California, County of San Francisco (the "**Court**"), and with due regard given to the selection criteria above. A request for appointment of a referee may be heard on an ex parte or expedited basis, and the Parties agree that irreparable harm would result if ex parte relief is not granted. Pursuant to CCP Section 170.6, each of PPA Buyer and MSCG shall have one (1) peremptory challenge to the referee selected by the Court.

iv. Discovery; Proceedings.

(A) The Parties agree that time is of the essence in conducting the Reference Proceeding. Accordingly, the Referees shall be requested, subject to change in the time periods specified herein for good cause shown, to (i) set the matter for a status and trial-setting conference within 20 days after the date of selection of the Third Referee, (ii) if practicable, try all issues of law or fact within 180 days after the date of the conference, and (iii) report a statement of decision within 20 days after the matter has been submitted for decision.

(B) Discovery and other pre-hearing procedures shall be conducted as agreed to by the Parties, or if they cannot agree, as determined by the Third Referee after discussion with the Parties regarding the need for discovery and other pre-hearing procedures.

(C) Except as expressly set forth herein, the Third Referee shall determine the manner in which the Reference Proceeding is conducted, including the time and place of hearings, the order of presentation of evidence, and all other questions that arise with respect to the course of the Reference Proceeding. The Reference Proceeding, including the trial, shall be conducted at a neutral location selected by the Parties, or if not agreed by the Parties, by the Third Referee, in San Francisco, California.

(D) All proceedings and hearings conducted before the Referees, except for trial, shall be conducted without a court reporter, except that when any Party so requests, a court reporter will be used at any hearing conducted before the Referees, and the Referees will be provided a courtesy copy of the transcript. The Party making such a request shall have the obligation to arrange for and pay the court reporter.

v. Decision. The Referees shall render a written statement of decision setting forth findings of fact and conclusions of law. The Referees shall have no authority to award consequential, treble, exemplary, or punitive damages of any type or kind regardless of whether such damages may be available under any law or right, with the Parties hereby affirmatively waiving their rights, if any, to recover or claim such damages. The decision shall be entered as a judgment in the court in accordance with the provisions of CCP Sections 644 and 645. The decision shall be appealable to the same extent and in the same manner that such decision would be appealable if rendered by a judge of the Court. The Parties intend this general reference agreement to be specifically enforceable in accordance with the CCP.

vi. Expenses. Each of MSCG, PPA Seller and PPA Buyer shall bear the compensation and expenses of its respective own counsel, witnesses, consultants and employees. The responsibility for compensation and expenses of the Referees and all other expenses of judicial reference shall be equally split in one-third (1/3) shares by each of MSCG, PPA Buyer, and PPA Seller

10. **U.S. Resolution Stay.** The Parties hereby confirm that they are adherents to the ISDA 2018 U.S. Resolution Stay Protocol ("**ISDA U.S. Stay Protocol**"), the terms of the ISDA U.S. Stay Protocol are incorporated into and form a part of this Agreement, and this Agreement shall be deemed a Protocol Covered Agreement for purposes thereof. For purposes of incorporating the ISDA U.S. Stay Protocol, MSCG shall be deemed to be a Regulated Entity, and PPA Buyer and PPA Seller each shall be deemed to be an Adhering Party. In the event of any inconsistences between this Agreement and the ISDA U.S. Stay Protocol, the ISDA U.S. Stay Protocol will prevail.

IN WITNESS WHEREOF, the Parties have executed this Agreement effective as of the date first set forth above.

Assigned Rights and Obligations

PPA: The WSSP Agreement as supplemented by the three (3) Carbon Free Firm Energy and Import RA Confirmation Letters (SJCE IDs: 24-113-10, 24-113-12 and 24-113-13) and one (1) WSPP Confirmation Carbon Free Firm Energy (SJCE ID: 24-124-03) (each, a "**PPA Transaction Confirmation**"), by and between PPA Buyer and PPA Seller, each dated as of [____], 2024, as from time to time amended, restated, supplemented or otherwise modified.

Delivery Point: The "Delivery Point" as defined in each of the PPA Transaction Confirmations

Limitation of MSCG Liability. MSCG has separately agreed with the PPA Buyer and the Custodian (pursuant to the Custodial Agreement dated [---], among PPA Buyer, MSCG and the Custodian (the "**Custody Agreement**")) to pay into the custodial account specified in the Custody Agreement (the "**Custodial Account**") for Assigned Product delivered in each Month of the Assignment Period at the "Day-Ahead Average Price" as defined below ("**Floating Price Payments**"). MSCG agrees for the benefit of the PPA Seller to pay the Floating Price Payments into the Custodial Account, and MSCG's payment obligations under this Agreement are limited to making such payments into the Custodial Account, for application as provided in the Custody Agreement. PPA Buyer and PPA Seller each acknowledge and agree that the making of Floating Price Payments into the Custodial Account by MSCG shall not entitle (i) PPA Seller for payments in excess of the Contract Price for Assigned Product delivered hereunder or (ii) PPA Buyer to pay less than the Contract Price for Assigned Product delivered hereunder. PPA Buyer and MSCG each acknowledge and agree that the making of Floating Price Payments into the Custodial Account by MSCG shall not entitle (i) MSCG to any payments from PPA Seller or (ii) affect the Custodian's obligation to pay the Monthly Gross Amount to PPA Seller on or before the applicable payment date in the PPA. At all times the PPA Buyer shall remain obligated for the payment of all amounts owing under the terms of the PPA including the Monthly Gross Amount under each invoice. To the extent that (x) MSCG fails to pay all or any portion of the Delivered Product Payment Obligation when due in accordance with the terms of the Custody Agreement (such amount, the "MSCG Payment Shortfall") and (y) PPA Buyer makes payment of an amount equal to the MSCG Payment Shortfall into the Custodial Account or directly to PPA Seller to cure such shortfall, then MSCG shall be obligated to make payment within two (2) Business Days, without duplication, of an amount equal to the MSCG Payment Shortfall to PPA Buyer.

"Day-Ahead Average Price" means (x) the sum of the Day-Ahead Market Prices for each Pricing Interval in a Month divided by (y) the number of Pricing Intervals in such Month. As used in this definition, "Pricing Interval" means the unit of time for which CAISO establishes a separate price. As used in this definition "Day-Ahead Market Price" means the Day-Ahead Market or Locational Marginal Price for TH_NP15_GEN-APND for each applicable hour as published by CAISO, or as such price may be corrected or revised from time to time by CAISO in accordance with its rules. For the avoidance of doubt, the Day-Ahead Average Price can be a negative number.
